Chief Ticer began the meeting by introducing our two new board members: Alan Lipowitz and Shannon Dapkus. After introducing themselves and telling a little bit about themselves, Chief Ticer stated that he would like to have the new members have mentors so if they had any questions they could contact them. Kathy Mitchell and Bev Cardarelli volunteered to be mentors.

The following agenda items were:

➤ Deputy Chief Eric Stewart

- Presented to the Board a supplemental appropriation for two additional FTEs that will be presented to City Council on 1-15-19. R2J has agreed to amend our current IGA adding two (2) additional SROs and will fund 50% of their pay and benefits. These two additional SROs will provide safety and security for the school district.

➤ Lt. Rick Arnold

- Lt. Arnold presented to the Board a grant of reimbursement by ICAC (Internet Crimes Against Children) to further the department in forensics courses including software and licensing. Board member Cardarelli was concerned if we have many crimes against children here in the area. Lt. Arnold responded that we have a system where we can identify predators. Additionally our staff who are involved with these cases do see our psychologist Dr. Teresa Richards periodically. This item is to go on the City Council Consent Agenda.
 - A motion was made and seconded by John Tindall and Bev Cardarelli respectively to accept this reimbursement for further education. Motion carried. All approved.

➤ Lt. Jeff Pyle – Operations Lieutenant

- Lt. Pyle presented an update on the Police Regional Training Facility. This project is going to cost approximately 18.5 million dollars. Met with contractors the end of December. The City is in hopes to break ground spring 2019. Lt. Pyle thanked

the Board for their continued support. Chief Ticer indicated that currently our recruits are attending the police academy at Front Range Community College as well as those attending Aims Community College. It is our hope that our training facility will be able to provide training to recruits. The campus will have an indoor shooting range and a driving track.

- Lt. Pyle presented to the Board an update on body worn cameras. Lt. Pyle indicated that these would help for two-dimensional view and is a great liability protector. Additionally, this will help with evidence for DUIs and drugs. We tested AXON for 60 days, which had a chest mount and ear mount. This is a cloud-based storage. Right now, we only have in-car cameras in our Traffic Unit vehicles. Lt. Pyle stated that we would be asking City Council for \$150,000 as a supplemental appropriation for our budget. This will be heard by City Council on 2-5-19.
 - With there being no further discussion a motion was made and seconded by John Tindall and Erin Frisch respectively to support the body worn cameras. Motion carried. All approved.
- Lt. Pyle spoke briefly about DDACTS and thanked those from the Board who have attended. During the holiday season, we had two decoy cars to show high visibility in theft prone areas. We also increased traffic enforcement. We showed that we had a 35% decrease in shoplifting. There were 49 crashes and only 1 DUI. In 2019, we will be increasing our DUI enforcement.
