

Barnes Softball Complex Rules

- ❖ **CHILD CONTROL** - It would be greatly appreciated if parents would control their children. Our major concerns are with children in the bathroom stopping up the toilets and putting dirt in the sinks, and with children walking in the flowerbeds. There is a playground across SE 5th street that is well equipped for children of all ages. Unsupervised children may be more likely to be struck by an errant foul ball.
- ❖ **ANIMAL CONTROL** – Dogs, cats, and other pets are **NOT ALLOWED** inside Barnes Complex. (Exception: Dogs trained to assist visually or hearing impaired individuals.)
- ❖ **NO SKATEBOARDS, IN-LINE SKATES, OR OTHER ROLLER DEVICES ALLOWED**
- ❖ **BICYCLE RACK** - Bicycle racks are available just inside the Barnes Complex main gate. Please lock your bike.
