The Zombie Book: The Encyclopedia of the Living Dead by Nick Redfern and Brad Steiger

Rampaging, driven, killing machines. Soulless and dead. Infected and infectious. Zombies. The epidemic of the living dead is stronger than ever in today's pop-culture, but long before exotic viruses, biological warfare, and sinister military experiments brought the dead back to life in our cinemas and on our television screens, there were dark spells and incantation of the ancient Egyptians, the Sumerians, and the Babylonians. The *Zombie Book: the Encyclopedia of the Living Dead* is a comprehensive resource to understanding, combating, and avoiding zombies.
