

Bike Month Challenge: Blackout Bicycle Bingo

A game for all people on bikes to play June 1st through July 30th

**BIKE MONTH
LOVELAND**

I BIKED....

To a Loveland event	On a LOCAL street	To a bike tune-up	Fill in the blank _____	To the grocery store
To dessert	To a historic building	To a friend's house	With lights on my bike (red & white)	To the Library
To the Rec Center	To work or school	FREE SPACE 	To a piece of public art	On the Rec Trail
To the Museum	To a park or open space	To a meal	Wearing light colored clothing	To the Foundry Plaza
With a friend	On an ON-STREET bike lane	To the post office	With a helmet fitted for my head	To water - pool, lake or river

Accept the Bike Month Challenge to spend more time on your bike.

Play BLACKOUT BICYCLE BINGO by doing all of the activities listed on the scorecard at least once from June 1 to July 30, 2019.

Check out the Bike Month website for many events and activities to help you meet the challenge of covering all 25 squares.

Once complete, turn in your BLACKOUT

BINGO CARD at the Loveland JAX store 950 E Eisenhower Blvd by 7/30/19 or bring it to the BLACKOUT BICYCLE BINGO closing celebration, held in conjunction with the Downtown summer concert series on Wednesday, July 31st, at the Foundry Plaza. All scorecards received before the start of the music will be entered into a random drawing for great prizes.

One entry per person.

Whether you are traveling for leisure or a routine trip, on foot, in a car or on a bike, respect everyone's right to use our roadways. We ALL walk, bike and drive, so let's ALL share the road.

TRANSPORTATION SAFETY TIPS

As a person driving:

Do not use technology while driving.

Keep an eye out for other people using the roadway (people walking and biking).

Pass a person on a bicycle at a distance of not less than (3) feet.

As a person walking:

Walk AGAINST the flow of traffic.

Focus on your travel path.

Cross in crosswalks and obey crossing signals.

Make eye contact with motorists to ensure they see you.

As a person on a bicycle:

Obey all traffic laws – you're a vehicle too.

Ride single file.

Ride WITH the flow of traffic.

DISTRACTED DRIVING IN COLORADO

Cell phones, dashboard touchscreens, voice commands and other in-vehicle technologies pose a threat to our safety. The consequences of these distractions are not worth the convenience they offer. Ignore the distractions and just drive to keep us all safe on the road.

Every day in Colorado, distracted drivers are involved in an average of 43 crashes.

In 2018, there were 53 fatalities attributed to distracted Colorado drivers.
