I have read and understand all public seller information as related to my responsibilities as a seller at this year's swap. I am aware that 15% of sales from sold items is retained by the Loveland Parks & Recreation Department to help fund youth scholarships awarded through the Parks & Recreation Foundation.

I am aware that the City of Loveland will not be held responsible for any lost or stolen articles during the event, and that any unsold items that are not picked up during designated checkout times will be donated.

I understand that if any of my items are sold and cannot be worked on by any licensed ski technician because of safety factors that I am responsible as the seller for refunding the buyer their money. In addition, I hereby waive the City of Loveland and its workers of any liabilities regarding the sale.
