COMMISSIONER COMMENTS

• Commissioner Kersley reported on the Children’s Color Book. The estimates are reasonable if the cover is color and pages are black and white, she said. She will begin drafting it.

• Commissioner Kersley reported that there is an old orphanage off West Eisenhower. Nikki said she could send them a letter with information about the benefits of designation.

• Commissioner Jones reported that a CSU intern could research and complete inventory forms for properties selected by the HPC. She will report on how the HPC could engage a student intern at the May meeting.

• The Commission discussed the depot fundraising. If the project is not achieved, the HPC recommended that the donors be informed their funds might be used for other preservation projects.
