• The County building is back on the market. Commissioner Sutton suggested the County building be documented.
• Councilor Fogle expressed concerns over the high cost of the Fire Sprinkler systems required for some downtown buildings.
• Council is reviewing possible budget cuts for 2020.

STAFF UPDATE
Nikki Garshelis reviewed the staff report, which included the following items:
• Instagram – The Loveland Historic Preservation site has 940 followers (as of 6.12.19)
• Survey Grant Application - The CLG grant agreement was sent June 11, 2019. Staff will be scheduling it as an item for approval to accept the funds from Council. Once approved, the bid process can be implemented and a consultant can be hired to begin the survey work.
• McCreery House Loan for porch restoration – A loan check for $4,229.01 was paid June 7, 2019. It will be due June 7, 2024.
• Medina Cemetery - Bill Meirath of the Loveland Historical Society has asked for the help of the HPC to erect a sign at the historic cemetery, which was designated in 2014. The city no longer makes the wooden engraved signs for Loveland parks and vendor costs can be almost $2,000. An 18”X24” metal sign costs about $50 and a wooden post approximately the same. The commissioners asked for more selections.
• Odd Fellows/Majestic Opera House – Building, Fire and Planning staff met with Odd Fellows members on May 28 to discuss how to bring their building up to code to attract a tenant in their lower floor. Removing the mezzanine to increase exit height in the rear and restrooms was suggested by fire and building staff. A meeting is scheduled with City staff and DDA staff for June 19 to discuss grant assistance and tenant attraction.
• **Milner Family Member:** Jonathan Cain, a descendant of Sarah Milner (3X his great Grandmother) contacted City staff about his family connection. He lives in Idaho Springs but comes to Loveland occasionally and is interested in meeting. Loveland Historical Society members have been contacted and a meeting will be planned at the Milner-Schwartz House once we know Mr. Cain’s schedule here.

CONSIDERATION OF NEW BUSINESS

DOWNTOWN DESIGN STANDARDS
• **Commission Chair McCarn** reported on the Downtown Design Standards meeting with Commissioners Cox and Askeland. A professional design firm has submitted a proposal to reformat and provide graphics for the document. The Commissioners discussed the project and agreed the design firm service was a good idea. The project would cost over $6000.00 and would require funding from other sources. The Commissioners will work on finding funding partners for the project.

PAST FORWARD CONFERENCE – October 10-12
• **Commissioner Sutton** shared information and pricing for the Past Forward conference. Nikki Garshelis will get further information as to what is included with registration and will email the Commissioners to determine who would like to attend. There will be further discussion at the next meeting in July.

GREAT WESTERN RAILROAD & FREIGHT BUILDING UPDATE –
• **Commissioner Sutton** reported that the LHS has a new President, Terri Johnson. Ms. Johnson is reviewing the RFP for GWR project. Commissioner Sutton will provide updates at the July meeting.

CHILDREN’S TOUR/COLOR BOOK
