Oh, the hours that can be spent on-line these days. With websites like “YouTube” “MySpace” and “iTunes,” hours can easily be wasted. Fear not, there is a web-site out there that can help you save time, it’s free and it won’t make fill out a short survey to better serve your needs (unless you want to, that is)!

The Adult Athletics website has a plethora of forms, links and information that is just a click away. It’s not just about looking up the time of your game anymore. Here is a run down of the things that can be found on the adult athletics website:

Register your team for upcoming leagues. All you need is your household ID number (you can call 962-2727 to obtain those if you don’t already have it), the activity number (available on-line also) and a credit card! The best part is that you don’t have to wait in any lines!

Submit a team roster. We don’t want you to make an extra trip down to the Chilson Center after you have registered your team on-line. Instructions to submit your roster via email are available on the adult athletics website.

Renew your LAA card. Please see the back of this newsletter for the article entitled “LAA Cards 101” for more information on this procedure, plus much, much more!

Add yourself to the “Free-Agent List” or pick up an available player for your team. Are you a player in need of a team or possible a coach in need of an extra player or two? This is the place to go in order to view the list or add yourself to the list.

Print out a player addition form. Is it past the roster freeze date and you need to add a player to your roster? Print out a form on-line to take with you to your next game.

Review the Player Code of Conduct. Stay in the game by knowing what you can and cannot do BEFORE you even step foot on the field or court.

Fill out a Program Survey. Get your voice heard! We need you to let us know what you did and did not like about our programs / facilities....PLEASE!

Information packets. Find the “who, what, when, where, why and how much” for each sport, each season. Plus things you never knew you needed to know!

Schedules & Scores. Look up when and where your game is or keep up with league standings!

Where is this wonderful place you may ask? Just go to www.ci.loveland.co.us/parksrec/Adult.htm and you will find the world of Loveland Adult Athletics right at your fingertips!

Weather Cancellations

For weather cancellation information contact the cancellation line at (970) 962-2388 option 3 & 1

Rainouts won’t be decided until 4:00pm on weekdays. If schools close to due poor weather the games at those locations are cancelled.

If the cancellation line states that games will be held then go to your scheduled location and if poor weather hits then the decision to cancel will be up to the field supervisors. The cancellation line will be updated at that time.

Remember it’s easy to cancel a game but harder to reschedule it!

Summer Softball Registration

It's about that time! We will soon begin registering for our 2008 summer adult softball leagues. No more Saturday priority registration! Returning teams may register between March 24th & March 30th by walk-in at the Chilson Center or mail-in to 700 E. 4th St, Loveland, CO 80537. Beginning March 31st the registration is open to all teams and you will have the option of registering through TeleTrac or WebTrac, at that time. Registration for summer softball will be open through April 21st. The cost for Men's & Women's teams is \$529 through April 16th and \$549 after (this includes the \$20 USSSA sanction fee). The cost

for Coed & Church teams is \$409 through April 16th and \$429 after (this includes the \$20 USSSA sanction fee). All players must have purchased their \$22 player fee prior to the first scheduled game. You will be required to turn in a roster with at least 8 players who have paid their player fee at the time or registration. Don't forget, beginning March 24th you can pay your player fee and to make it more convenient you can **PURCHASE** your player fee on-line starting March 24th also. Call us at 962-2383 to obtain your household ID number which you will need for WebTrac.

LAA CARDS 101

Summer season will be here before you know it and as you probably know, that means that it is also LAA card renewal season. Avoid those lines at the Chilson Center by registering on-line via WebTrac. It is an easy and quick process if you follow these simple steps:

1. You will need your household ID number. If you need to obtain that please call 962-2727.
2. Go to <http://www.ci.loveland.co.us/parksrec/Adult.htm>
3. In the left-hand column you will see a link to **WebTrac**, click on that link. It will take you to a page entitled "Web-Trac On-line Registration Information."
4. Click on the "Click to Access WebTrac" link to be taken to the log-in screen.
5. Use your household ID number and your password to log-on to Web-Trac. (The very first time you log-on you will be asked to answer some security questions).
6. Once you are on the main page, go to the left-hand column where you will select "shop" and then "pass registration & renewal."
7. Where it says "enter a pass type," put in **LAA**. Then, select your name in the drop down box and click on the "Add to Cart" button.
8. At this point you can proceed to check out where you will be asked for credit card information.
9. At the end of the process you should get a receipt. Make sure you print it out and take it with you to your first game!

We would like to remind you that everyone's LAA card will expire after the Spring 2008 season. You must renew your pass to be eligible to play during the summer season. **NO EXCEPTIONS!** Please do not attempt to renew or purchase a new LAA card for the summer season until after March 24th.
