

Sales Tax Exemptions on Seeds, Plants and Trees

GENERAL INFORMATION

All seeds purchased, whether they are food-producing or not, are exempt from Loveland sales taxes. All non-woody plants, whether used to grow food or not, are subject to Loveland sales taxes.

All orchard trees are exempt from Loveland sales taxes. All other kinds of trees are subject to Loveland sales taxes.

Food Stamps

The federal government defines seeds and plants for food-growing purposes as food. Therefore, when purchased with food stamps or WIC vouchers, all food-producing seeds and plants are exempt from Loveland sales taxes. WIC is the federal supplemental food program for women, infants and children.
