

DOG DAY AFTERNOON - SATURDAY, JUNE 18, 2016 - 1-3 PM

Visit 6 stations as you walk around Bass Pond:

Agency – City of Loveland

Location #1 on the map

Are you a responsible pet owner? We love you. Come by our booth to find out more about where you and your pet can exercise and explore. Check out the local areas available for Park and Open Lands walks, regional off-leash dog parks, and for the adventurous – hiking trails in Larimer County and National Forests. Regulation information available. This is also where you can meet Heidi!

On Leash – Barnyard Veterinary Services, LLC

Location #2

The rules say you need to keep your dog on a leash - why not do it in style? Check out the collars, leashes & other stylin’ items to go for a walk. *Poudre Pet Supply* has many choices to make a statement or make your walk more fun; dog packs, coats, travel bowls & more.

Feed – Hank’s Pet Food Market

Location #3

Needing exercise to burn off energy, keep a trim waistline, or just to free up some aging joints? Perhaps a change in feed would help. Check out the products at *Hank’s Pet Food Market* that may make your pet’s life a little more comfortable. They have food of all kinds to help your pet have balanced and active life. And highly digestible feeds result in less waste to pick up!

Training – Dogs Deciphered (Megan Donovan)

Location #4

Is walking on leash less than enjoyable due to pulling or straining? Does your arm feel like it’s had a better workout than your dog? Check out *Dogs Deciphered* and get some pointers about training and what you can do to have a relaxed walk together.

>>> You can also get directions to the off-leash dog park only 1/3 mile east from this point.

Daycare Exercise – Dogs Own Daycare

Location #5

Have you run out of time in your day? Does your dog need more exercise? Can’t get out in bad weather? Consider Doggy Daycare. Even if just once in awhile, dogs love to socialize & play, humans feel great about the care their dog gets & they have grooming, too!

Other Exercise Options Location #6 – South picnic shelter

Flyball, Rally, Obedience, and Agility. Would you and your dog enjoy the challenge of more structured exercise, maybe with a little competitive edge? Check out the activities around this area – look for the markers and boundary lines for each area. There’s something for everyone, every breed, and every age of both dog and human ☺.
