Process and Procedures for Nomination and Designation of Historic Landmarks & Historic Districts

The Historic Preservation Commission thanks you for becoming involved in the important process of protecting the Loveland community’s historical built environment. The following steps will guide you through the nomination process and designation procedures. *If you have any questions, please call the historic preservation staff. Our staff is here to help!*

Please refer to the Loveland Municipal Code, Chapter 15.56 Historic Preservation for the formal procedures and requirements regarding the nomination and designation of historic structures, sites, or districts. If you do not have a copy of this information, staff will provide you with one.

**STEP 1. Pre-Application Conference**

- Schedule a time to meet with the City Staff to determine the property’s significance, review the designation process, and learn how to research your historic structure, site or district. City Staff will also outline the privileges, obligations, and restrictions that apply to designated landmarks and districts.

**STEP 2. Formal Application**

- Complete the form *Application for Designation of a Historic Landmark* (FORM A, attached) or *Application for Designation of a Historic District* (Form B, attached)
- Forms must be completed in their entirety.
- Obtain a copy of an officially recorded document containing the legal description of the property. This could be an abstract of title, warranty deed, quit claim deed, etc. If you do not possess one of these documents, contact the Larimer County Clerk for assistance. For nominations of a District, officially recorded documents containing a legal description of all properties must be provided.
- Send or deliver all items to the Loveland Historic Preservation Commission via Loveland Development Center at the Loveland Municipal Building 500 E. Third St. Loveland, CO 80537.
STEP 3  Notification, Scheduling, and Posting

- The Commission shall hold a public hearing on the designation application not more than sixty (60) days after the filing of a complete application.
- The Community Services Department shall provide notice of the time, date and place of such public hearing, and a brief summary or explanation of the subject matter of the hearing, by at least one (1) publication in a newspaper of general circulation within the City not less than fifteen (15) days prior to the date of the hearing.
- In addition, at least fifteen (15) days prior to the hearing date, the Department shall post the property in the application so as to indicate that a landmark or historic district designation has been applied for and mail written notice of the hearing to the record owners, as reflected by the records of the county assessor, of all property included in the proposed designation. Such written notice shall be sent by both first class regular mail and certified mail return receipt requested. Failure of the property owner to sign and return the certified mail receipt shall not invalidate any proceedings in connection with the proposed designation. Failure to send notice by mail to any such property owner where the address of such owner is unknown and not a matter of public record shall not invalidate any proceedings in connection with the proposed designation.

STEP 4  Public Hearing

*Historic Preservation Commission*

- The Historic Preservation Commission will provide a formal hearing to consider the Application for Designation of a Historic Landmark Form A, or Application for Designation of a Historic District Form B and that public hearing will follow a format that has been adopted by the Commission.
- The Historic Preservation Commission will consider the criteria at 15.56.091 when reviewing proposed landmarks for designation.
- Within thirty (30) days after the conclusion of the public hearing, but in no event more than (60) days after the hearing date first set, unless otherwise mutually agreed by the Historic Preservation Commission and applicant, the Commission shall either recommend approval, modification and approval, or disapproval of the proposal. The Commission may recommend approval conditions upon the voluntary execution of certain easements, covenants, or licenses.
- The Historic Preservation Commission will forward its recommendation, in writing, to the City Council concerning a designation and further state any recommendations as to easement, covenants, or licenses that must be met by the property owner to receive and/or maintain the designation. The Historic Preservation Commission will also notify the City Council, in writing, of any decision disapproving a designation initiated by the City Council.
- For applications for designation as a landmark that have gone to a public hearing before the Commission without the owner’s consent, such consent shall be required, in writing, prior to review of the application by the City Council*. If the owner(s) do not consent to the proposed designation, the application will not move forward.
City Council

- Within thirty (30) days after the date of any referral from the Historic Preservation Commission, the City Council shall hold a public hearing on the designation application.

- The City Council will review the application for conformance with the established criteria for designation. Due consideration will also be given to the written view of owners of affected property. The Council shall approve, modify and approve, or disapprove of the proposed designation.

- When a historic landmark or district has been designated by the City Council, the City Clerk shall promptly notify the owner(s) of the property include therein and shall cause a copy of the designating ordinance to be recorded with the County Clerk and Recorder.

- Whenever the City Council disapproves a proposed designation, no person shall submit an application that is the same or substantially the same for at least one (1) year from the effective date of the final action on the denied application.

*NNote: Landmarks and Districts can be nominated without the consent of the property owner by the Historic Preservation Commission or City Council. Nominations by either of these two groups requires a majority vote of a quorum or more, of the members. Commission or Council designees will be required to file an Application for Designation of a Historic Landmark Form A, or Application for Designation of a Historic District Form B with the Community Services Department.

ATTACHMENT C: ARCHITECTURAL CHARACTERISTICS CONTINUED
Most significantly, the applied metal façade that once covered the second and third story of the south elevation has been removed revealing the original brickwork beneath. The red brickwork is laid in a common bond pattern and was once whitewashed on only the second story level of the three-story building. The newly revealed façade is symmetrical with twin pilasters flanking central windows on the second and third stories. A masonry sill course runs beneath the line of nine second story rectangular window spaces. The present metal frame 1/1 double-hung sash windows do not fit the window spaces; the remainders of the historic openings have been filled in with plywood. Each window space is capped with a stone lintel. The five third story window spaces have rowlock arches with four wide arched window spaces evenly surrounding a central narrow arched window space. Each of the five window spaces contains a modern 1/1 double hung sash window. The four wide arched window spaces also contain 2-light fixed sidelights on either side of the double-hung sash window. Projecting slightly from the third story of the building façade are three long thin metal poles that run the full horizontal length of the façade. Above the central third story window is a plaque with the date “1903.” A corbelled brick cornice in matching red brick runs the horizontal length of the façade just beneath the roof line.
